BERMANFALK JOINS INDUSTRY'S BEST Scheduled to Show at Fall IHFC

Vancouver, BC – Following BERMANFALK's anticipated and impressive success in Las Vegas, BERMANFALK has been invited to join the furniture industry's best at the twice-annual International Home Furnishings Center (IHFC) in High Point, North Carolina; the largest wholesale home furnishings show in the world.

The prestigious IHFC boasts over 2,200 exhibitors, is attended by over 75,000 industry professionals and spans over 10 million square feet. "We were very excited when our application to exhibit at the IHFC was accepted!" said Gary Berman, Vice President of sales & marketing at BERMANFALK. "The IHFC is an important show for the industry and an even bigger highlight for BERMANFALK."

BERMANFALK

BERMANFALK will showcase two greatly expanded collections, the Sabre and the Empress. Both offer beautiful, solid Maple pieces for sleeping, dining and living and are celebrated for their 'Made in Canada' solid quality. The Sabre collection is distinguished by tall, gracefully curved legs, while the Empress is a fusion of modern design and classic elegance.

From Canada's west coast, BERMANFALK manufacturers high-quality, all wood residential furniture for luxurious living. Their furniture is distinguished by the extravagant use of solid Maple, carefully assembled construction details, such as dovetail joinery, durable joints and finished backs, and beautifully finished pieces with dramatic black stains and sensual satin polishes. Described as transitional elegance, BERMANFALK is ideal for those who want to create emotive, enduring interiors that define individual style.

Visit BERMANFALK at the Interhall in Space H149 from October 20-26, 2005.

HOM by BERMANFALK

BERMANFALK will also be showcasing their brand of contemporary design classics named HOM by BERMANFALK. HOM manufactures two complete lines of high-quality, hand crafted contemporary wooden residential casegoods: the Sonoma and the D-Line.

The Sonoma is a bold, clean-lined fusion of eastern and western aesthetics with an extensive use of solid birch. The D-Line is a modern take on classic mid-century Danish designs with a unique mitered case assembly construction and solid wood edging. All pieces are manufactured in Canada.

Visit HOM by BERMANFALK in Suite 301 at Market on Green (212 East Green Street) from October 20 –26, 2005.
